PAUL CAMP

Fall 2023 Conference Navigating the Kaleidoscope of AI **ABOUT OUR KEYNOTE SPEAKERS**

Melissa Forbes — Lecturer in English, Writing Center Coordinator, Gettysburg College

Josef Brandauer – Director, Johnson Center for Creative Teaching and Learning and Associate Professor of Health Sciences, Gettysburg College

ABOUT OUR PANELISTS

Melissa Wagner – Wagner is Vice President of Editorial at IGI Global in Hershey. She has previous experience in Marketing & Acquisitions Divisions at IGI Global.

Hong Huo – As a visual artist, an independent animator, graphic designer, and educator, Huo is constantly searching for a unique visual narrative about animation, material, body, and spirit through various mediums and process of experimentation. Huo is Assistant Professor of Graphic Design & Digital Media at Messiah University.

Lynn Bigelow – Lynn comes with 10 years of experience as Director of Finance and IT at a fintech company, as well as 10 years of experience in developing an endpoint protection product at a cybersecurity company. He is Director of the Cybersecurity Education Program & Cyber Center at Messiah University.

PAULAC

Fall 2023 Conference Navigating the Kaleidoscope of AI
